PE

PE lessons for this term are on **TUESDAY** and **THURSDAY** so children must come to school in their PE kits. Jewellery must be taped over or taken out at home. Please ensure that all clothes are labelled as the children often take off their jumpers but because they are not school uniform they go missing.

Recommended reading list

Please see the recommended reading list for this term. I have tried to find books that link to our learning this term so the children can fully immerse themselves in the topics we are studying. Happy reading!

Homework and spellings

Homework will be uploaded to Showbie. Our new class code is: **TVKFM**.

I will release homework on a **FRIDAY after school** and I expect it to be completed by the following **FRIDAY**. There will be a maths, English and spelling task and a knowledge organiser to read.

Accelerated Reader quizzing

All the children now have reading levels that match up to our library system. When the children finish their reading book, it is encouraged that they log onto the Accelerated Reader website and complete the quiz that matches to their book. Please see the attached document which shows how to log on. It is **VITAL** that the children complete these quizzes themselves.

Messages and contact

I am available to contact on Class Dojo between 8am and 5pm during the week. Please make sure to message the office if your child is going to be off school or will be late/have to leave early.
